

I-96

Improvements - Ingham County

What Is Being Done?

The Michigan Department of Transportation (MDOT) will make improvements to I-96 from Lansing Road to College Road, just east of US-127, starting in May 2009. Work includes resurfacing 9.5 miles of roadway, along with ramp improvements at the following locations: I-96/I-69 interchange, I-96 at Martin Luther King Jr. (MLK Jr.) Boulevard, I-96 at Cedar Street, and the I-96/US-127 interchange.

Also included with this project is bridge reconstruction at southbound US-127 over westbound I-96. One lane of traffic will be maintained part-width on this structure during construction.

All work is expected to be completed by the end of October 2009.

How Will Traffic Be Affected?

Work to resurface I-96 will take place at night only as a way to reduce the inconvenience to motorists. Work will take place between 8 p.m. and 5 a.m., Monday through Thursday, and on weekends from 8 p.m. to 9 a.m., Friday through Sunday.

One lane will be closed in each direction on I-96 when work is taking place.

For work on the ramps, the following restrictions will be in place:

I-96/I-69 interchange: Nighttime closures

MLK Jr. Boulevard: Around-the-clock closures beginning Monday at 9 a.m. through 3 p.m. on Friday

Cedar Street: Nighttime closures only between 8 p.m. and 5 a.m., Monday through Friday

I-96/US-127 interchange: Nighttime closures only between 8 p.m. and 5 a.m., Monday through Friday

A detour will be posted when ramps are closed.

How Will We Keep Motorists Informed?

For up-to-date information on this project, go to the list of statewide lane closures at: www.michigan.gov/drive.
